SALTY DOG T-SHIRTS

During the past eleven years Buxy's Salty Dog T Shirts have become the recognized and coveted symbol of a trip to Ocean City, Maryland. The standard Lab & Parrot t shirt we started with in 1999 has evolved into a number of various designs. While we originally planned to discontinue the previous season's model to make way for new ones each season, patrons have demanded former designs in such numbers that we continue to offer just about all past shirts on a regular basis. We are continually gratified to find folks who come back to get the one that's missing from their collection - whether lost, stolen, never purchased, or just "flat worn out."

In addition to our T-Shirts, Buxy's Salty Dog active wear now includes sweatshirts, hats, visors, golf shirts, kids t's, baby bibs, onesies, and other seasonal varieties that strike our apparel buyer's fancy. All of our T Shirts are top of the line, name brand, pre-shrunk, 100% cotton. A local artist has created many of our top selling designs.

If your wardrobe isn't in need of updating, consider a Buxy's Salty Dog Coffee Mug (sure to induce some daydreaming at the office or over the ironing board during that long break between trips to Ocean City) We also offer our own label hot sauce, beach bags, bumper stickers, post cards, huggies, glassware, keychains, bottle openers, dog bowls, and other assorted memorabilia to serve as gifts and/or mementos of your trip. If you are in need of a Salty Dog T during the off-season, be sure to shop on line at www.buxys.com

Absolutely NO SEPARATE CHECKS. For parties of 6 or more 18% gratuity added. Absolutely No Substitutions. All extra dressings \$.50.

We accept Master Card, Visa, Amex & Discover.
