Thank you for visiting Goolee's Grille in Ocean City, MD. We are a small, family-owned business. My mom, dad and I are excited to be celebrating our 10th season and we welcome you to our little breakfast place at the beach. Everyone asks me how I came up with the name Goolee...well, it's a nickname I have had as long as I can remember. It's just a mangled up kiddie way of pronouncing my name George in Greek. I kind of thought.. "WOW, that's a cool, catchy beach name" and thus Goolee's Grille was born. If you have been here before, "WELCOME BACK." If it's your first time visiting us, we would like to welcome you to Ocean City. We hope you have a safe and relaxing stay and enjoy your meal here with us. We look forward to you coming back again real soon. And remember to let all of your friends know about us back home. Your kind words about our food and service are always the best reference!

**** Warmest Regards, Your Host Goolee ****
