# HOOTERS

## THE HOOTERS SAGA

In 1983 six businessmen (and we use that term loosely)  
opened the first HOOTERS in Clearwater, Florida. The group  
known as the HOOTERS Six were immediately indicted  
for impersonating restaurateurs. While the charges  
were later dismissed the stigma lingers today. Through  
the years HOOTERS has grown into a huge  
international success with restaurants dotting  
the globe it can now be said the sun never sets  
on Hooters.

With all of this success one might think HOOTERS  
would lose sight of its humble beginnings. To the  
contrary, we intend to keep dancing with the one that  
brought us and we know the most important thing is  
good food and cold beer served by a beautiful HOOTERS  
Girl. We are confident you'll enjoy our special brand of  
food and fun. After all...
